

# Term 3 in P5,6,7

In term 3 the children were learning about life in India and make comparisons with Scotland.

One pupil very kindly brought in money and clothes from India. We really enjoyed looking at her presents she received.

During this term the children developed their mapping skills.

## Moving Image Education

Throughout the year the children have been analysing short films. This is a film called Otherwise and their challenge was to put the film stills in the correct order.
