

# BURNS DAY

**The nursery children have celebrated by learning Scottish songs “Cannae shove yer granny off the bus” and “ali bali bee”. They have listened to Scottish music looked at tartan, bagpipes and kilts and made pictures to represent what they have seen. We have looked at the Scottish flag and found new words which we hadn’t heard before .....thistle, Saltire, bagpipes. In our songs we had to think about the meanings of lots of the words too.**

**Finn had been at a wedding and had worn his kilt, his mum brought it in to add to our display.**
